## *A DAY IN THE LIFE*

Always there is the early morning wonderment--"Lord, what means will you use today to sustain this, Thy college?" . . . plans for the day's activities must be plotted . . . personnel must be given direction . . . then there are administrative decisions--always decisions--with the ever-present sense of the responsibility of handling things which belong to God . . . a student's problem is immediately his ultimate minister, and counselor . . . a faculty member drops in to be certain . . . a school policy . . . more . . . dependence must

## *OUR NEW DEAN*

Arthur B. Edwards, lecturer and counselor,  
student of the Way, with a capacity for fun.

Dr. Van Buren, one of the top scholars of our day in literature and Bible strives to instill some of his knowledge in the lives of those who sit in his classroom.

Dr. Van Buren teaches Biblical literature and sociology at M B C. His excellent talent for exciting Biblical narrative brings new life to the Bible for his students.

Dr. Charles Gresham is one of the busiest men on campus. Besides his duties as a professor, he is Director of Christian Service, basketball coach, and preacher placement counsellor.

Dr. Gresham teaches Christian Education, Bible, and logic. His students delight in his classes and in association with a man who works for the Lord.

Professor and Mrs. James Carr serve together in the vineyard of the Lord. Prof. Carr, through his classes in Bible and theology, has brought many to see "face to face" the Christ they serve.

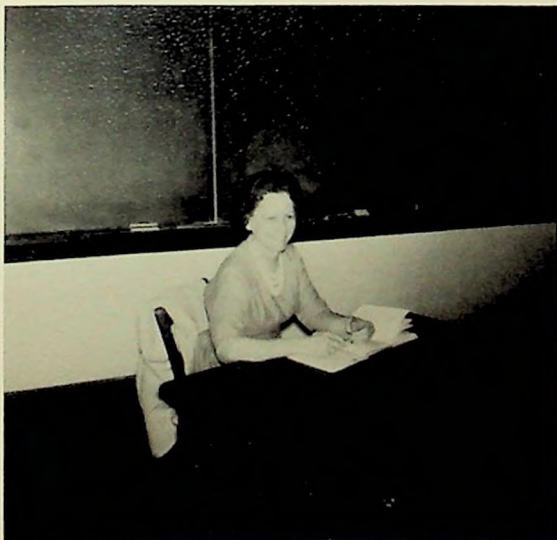

Mrs. Carr also teaches in the field of Christian Education. Together, they present a fine example of Christian living.

Professor Kent Bates is a veteran missionary who has served in Jhansi India. His students are thrilled as he seasons his classes with his own interesting experiences.

Martha Faye Amlong is head librarian and instructor in Library Methods. For the past 13 years, Miss Amlong has served M B C as librarian carrying out her duties faithfully and efficiently. Besides her duties, Miss Amlong still finds time to help with student activities.

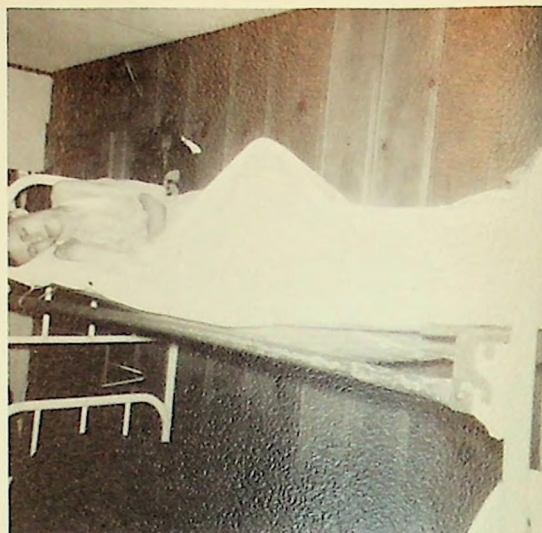

Mrs. Lown is instructor in Decorum and Women's Work here at M B C. Whether in the classroom or as the wife of our beloved President, her friendly smile and warm personality radiate Christian love.

#### MRS. EULA WHITE

Mrs. White in her short time here has become known and loved by all. In her function as accountant she has efficiently kept the accounts up to date. At the same time she has become a real 'mother' to the boys at Christine house.

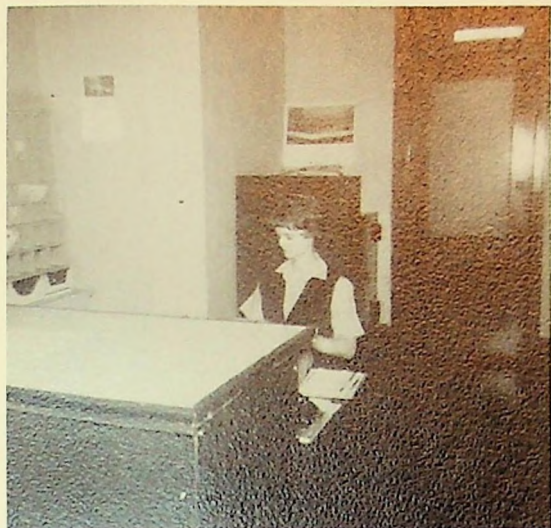

#### MRS. CHRISTINA HAMON

Mrs. Hamon, more affectionately known to everyone as Chris, doubles as the Public Relations Secretary and girls dorm mother. Both in her office and at Memorial Hall she gives guidance and courage to all to face life.

MRS. LINDA GROVER

MRS. EVELYN PRESS

The School office is efficiently operated by Mrs. Press and Mrs. Grover. The sound of their typewriters is a constant and welcome purr to the ears of the students.

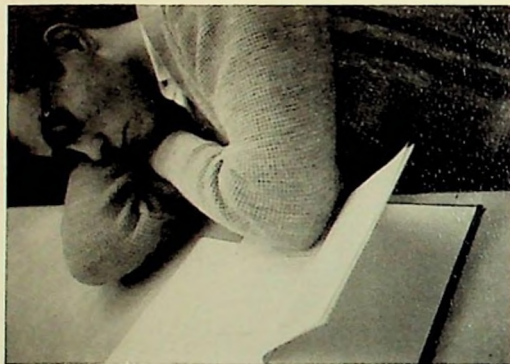

JOHN AND ETHEL DREHER

John and Ethel Dreher complete our staff. All who have walked these halls will long remember John's pleasant smile and kind words and one could never forget the wonderful meals put out by Ethel.

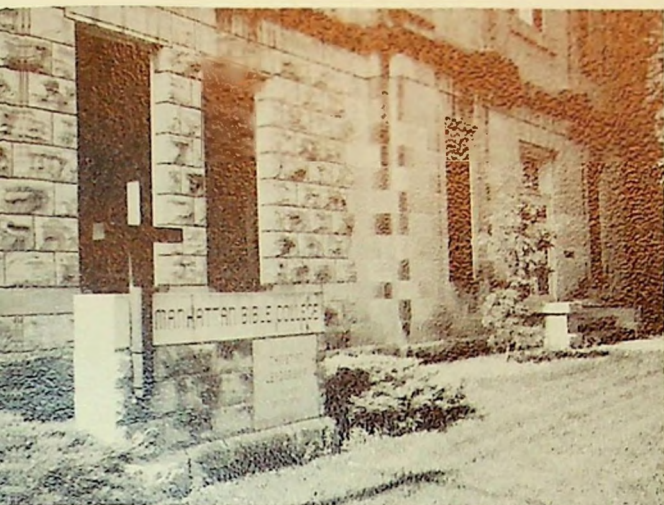

## *FORMS OF STUDY*

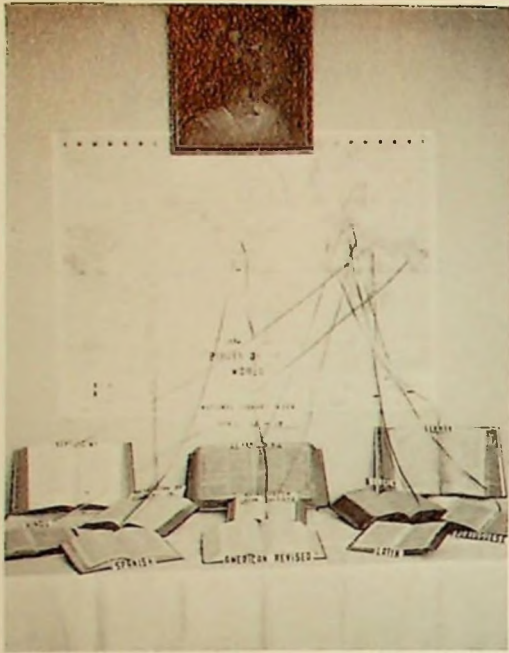

### JOLIFFE HALL

Located at fourteenth and Anderson, Joliffe Hall stands as the main campus structure. Its facilities include the administrative offices, large classrooms, Laura Hunter Library, spacious lounge, and a warm friendly chapel. Here students become deep rooted in Christian work and yet share many fun-filled moments.

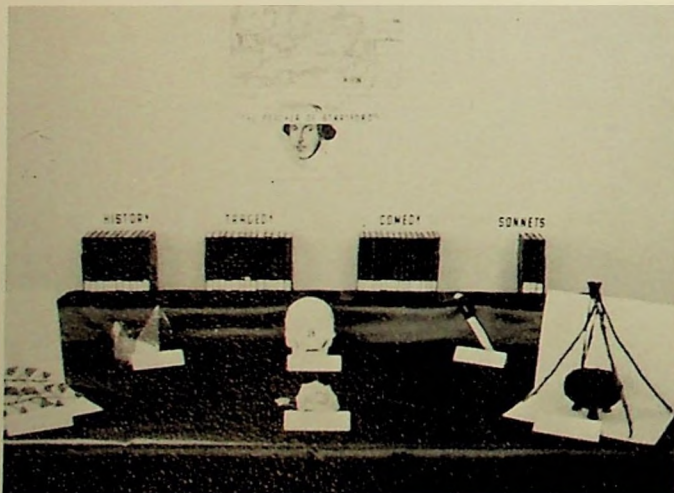

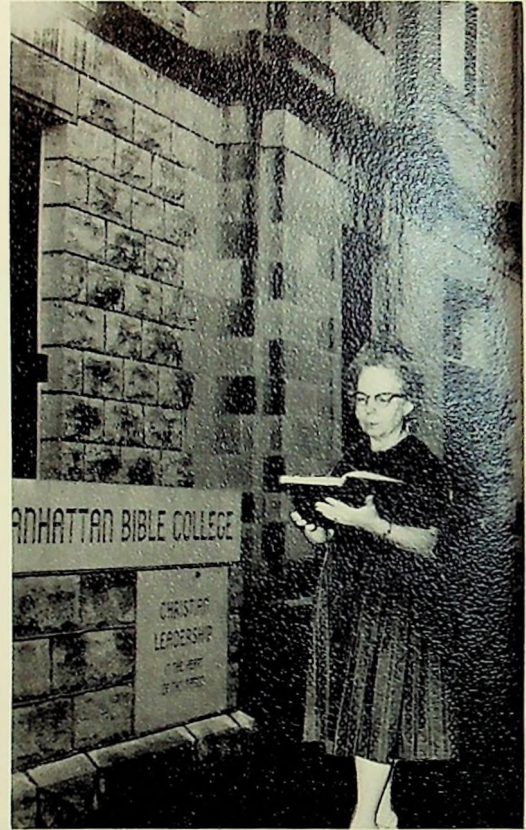

# THE MBC LIBRARY

One of the outstanding features of the Manhattan Bible College is her excellent library. This library is under the very excellent care of our librarian, Miss Martha Faye Amlong.

## CONVOCAATION

At the first part of the school year Manhattan Bible College observed its 36th annual convocation. This marks the official beginning of the academic year.

On this occasion the student body and the faculty are challenged by a stirring message from the president.

It also is a time when we ask guidance from the Heavenly Father for the coming year.

## *Life At The Dorms*

Dorm life at Manhattan Bible College is a time of spiritual growth and mental activity accented with fun-filled moments. Since college life moves at such a rapid pace, one always welcomes the evening devotions. This daily task gives students the opportunity to gather together within their separate dorms, to reconsider the day's activities and prayerfully look toward tomorrow's. This time of inspiration and prayer binds us more closely together as Christians.

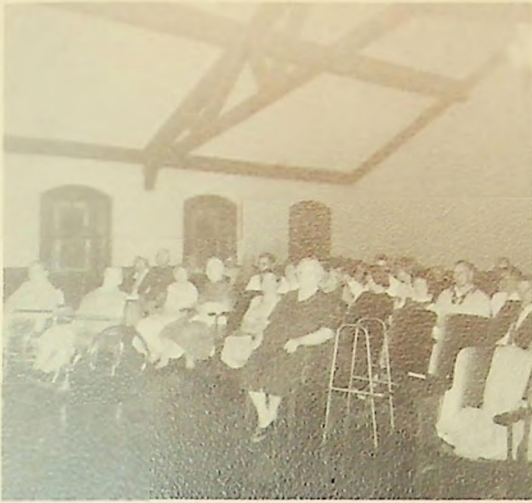

# *TUESDAY EVENING CHAPEL*

Tuesday evening's chapel service is the spiritual highlight of the week. The students and the faculty by worshipping together, feel spiritually united with God and man and humbly dedicate themselves to serve Christ and His church.

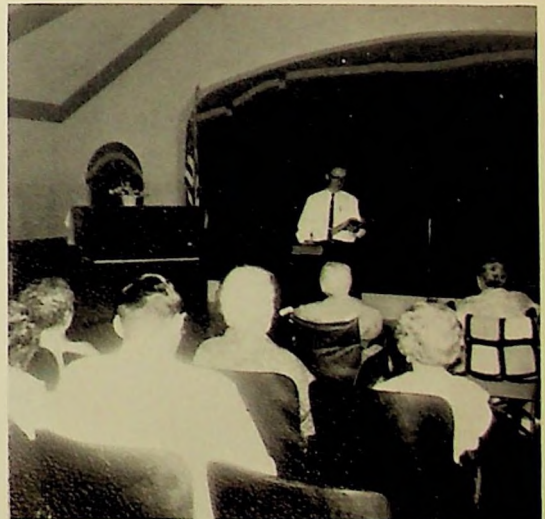

## *IOOF HOME*

Each Friday evening the students go out to the IOOF Home and have worship services and personal fellowship with the people there. This not only brings joy to the hearts of the residents of the home but also enriches the spiritual experiences of the students.

## *FRIDAY MORNING CHAPEL*

On Friday morning the students gather for an informal chapel service. The purpose of this is a re-examination of a spiritual week and a preparation for a weekend of service. This service may include inspiration, sing-  
spiration and information.

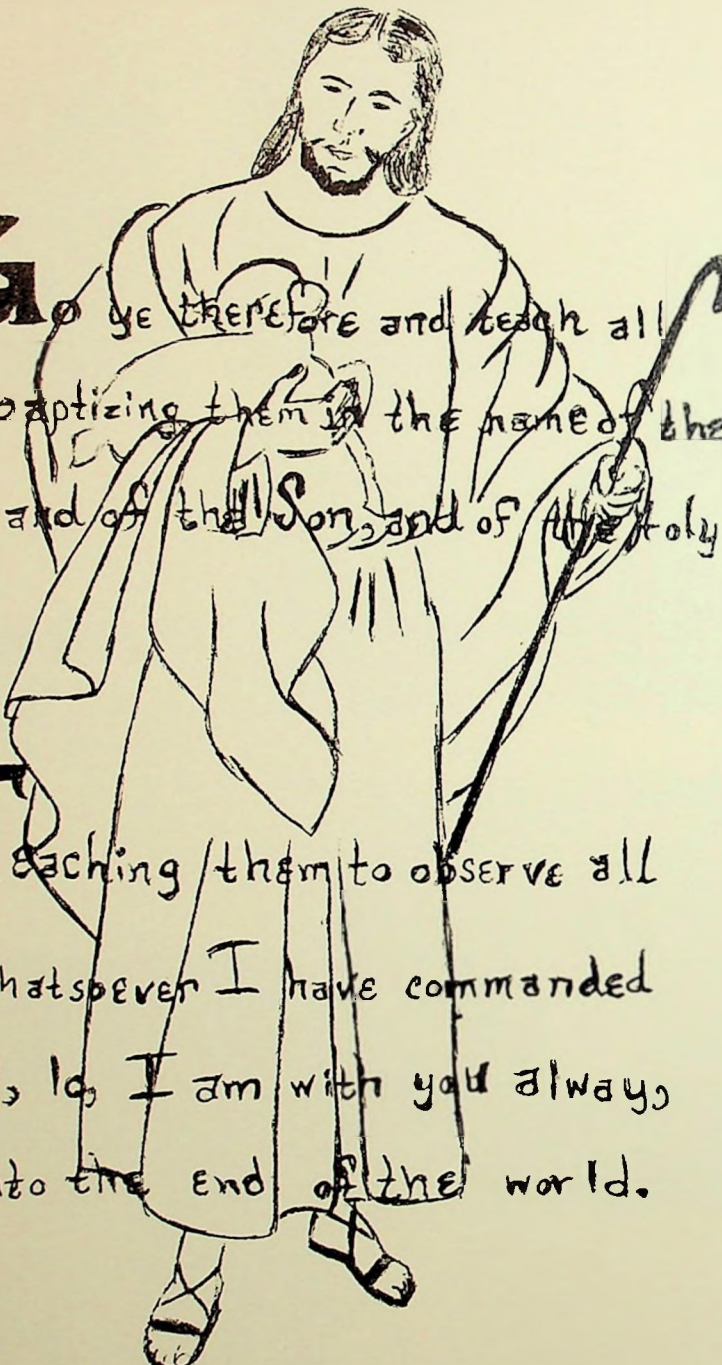

## *CREATIVE WORSHIP*

**G**o ye therefore and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost:

**T**eaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world.

# *THEY SERVE THE LORD*

The Choir and Mabicos, under the direction of President W. F. Lown, help to enrich our chapel services. The Mabico have also thrilled many with their presentations at the area Churches.

## *WITH THEIR VOICE*

Serving the Lord with their voice are many singing groups. Just two such groups are the Messenger Quartet and the Embassy trio. They, through the year, serve to inspire many people and to encourage many young people, thus doing a great service for their Lord.

*M.B.C.*

*A.B.X.*

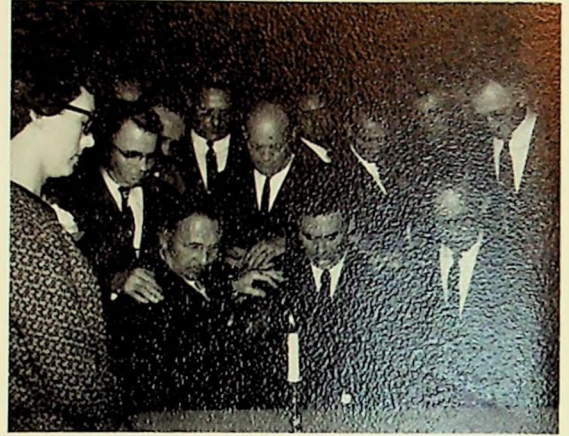

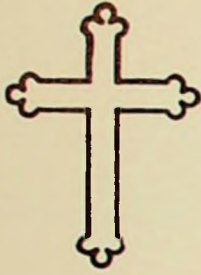

The A.B.X. missionary group of M.B.C. sponsor's many trips and activities. Pictured here we have the mission emphasis week and educational trips to Colorado Christian Children Home, the Kiamichi mission area and the Cookson Hills Christian School. They also sponsor the IOOF services and the monthly missionary chapels.

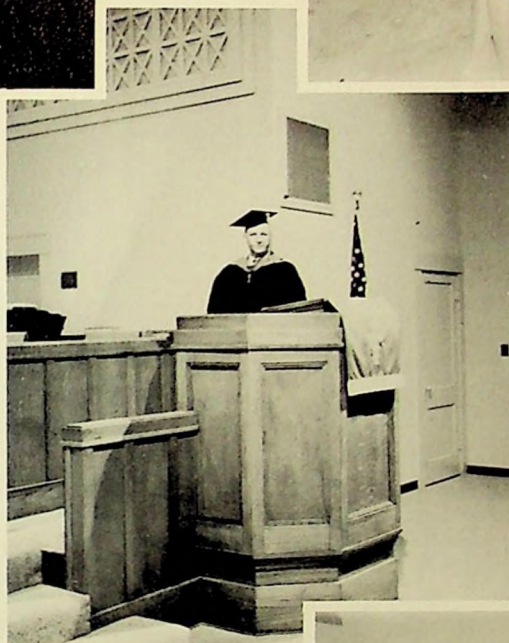

# *FOLLOW ME!*

In answer to Christ's call, many of our young men separate themselves to full time Christian service. This is solemnized in the service of ordination.

Commencement each year marks the ending of another school year and the renewing of spiritual life. A time for reviewing a year and commencing a life of service.

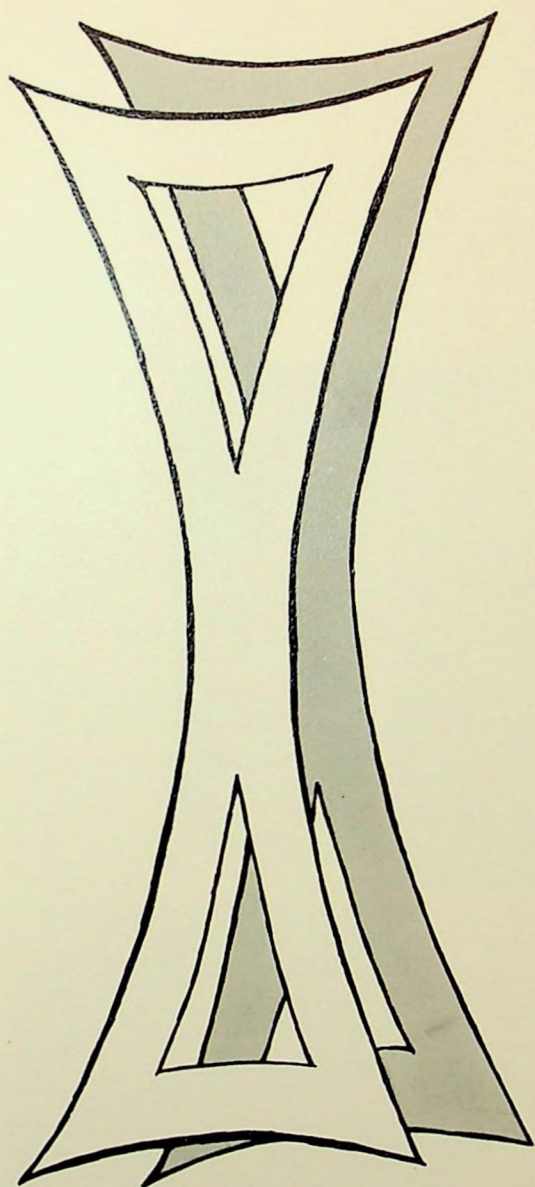

Academically filled and spiritually renewed  
we come to another part of life.  
A part of fellowship  
of fun and  
of physical exertion.

Here the thud of a ball,  
the crack of a bat,  
the cheer of a crowd--  
reigns supreme over all.

To the crowd,  
it's laughs . . . . .  
and fun . . . . .  
and cheers . . . . .  
and something else tomorrow.

To the participants  
it's work and struggle  
with the sweet savor of victory  
or the bitter taste of defeat  
to be felt . . . . .  
and relived again tomorrow  
in . . . . .

# *HIKE*

A hike, sponsored by the P.E. department drew many students to Dean Edwards' house, where everyone enjoyed themselves with Fun and fellowship.

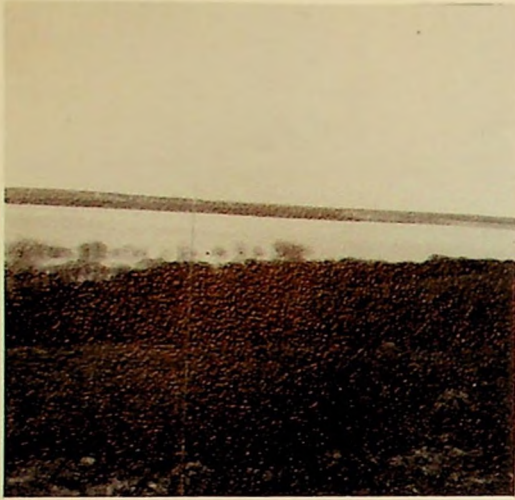

# *HAYRACK RIDE*

A hayrack ride was sponsored by the freshman class to start off the year. It looks like everyone enjoyed themselves.

Tuttle Creek offers many recreational opportunities for M.B.C. Students.

For the Brave Soul there are other recreational persuits such as trying a Unicycle.

Each year ping-pong and shuffle board tournaments are held at the school.

Here we see some of the participants in the ping-pong tourney.

The annual sophomore skating party was again held in October. Outstanding Christian fun and fellowship was enjoyed by all.

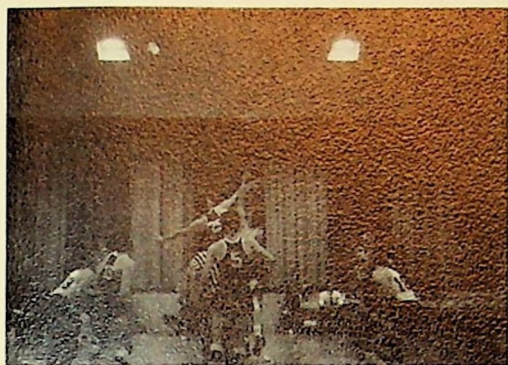

## ***OUR CHEERLEADERS***

Glenda Brant, Head cheerleader, Carol Lown, Vicky Hodges and Carmel George make up our cheerleading staff. Both in pep rallies and at games they raise the student spirits and 'fire-up' the team.

## *CRUSADERS*

Manhattan Bible College is a member of the Mid-west Conference of Christian Colleges.

M.B.C. finished in second place in conference play then topped the season by taking the conference tournament.

Charles Waugh, freshman center, was named as the tourney's most valuable player.

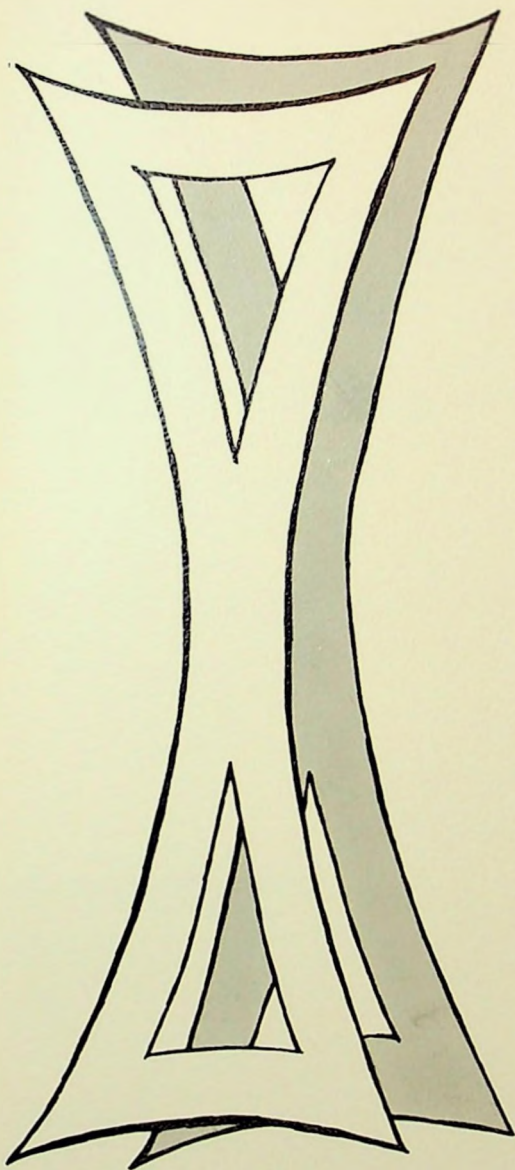

To fill a life  
there's hours  
of excitement,  
of joy and refreshment  
to be lived  
and remembered.

Times of fellowship  
to be shared by friends,  
out for a late coffee break  
or in the fleeting moments  
of meditation and thought.

Two people  
caught in the excitement  
of mutual discovery.  
Alone, in the crowd  
reflect for us love.

as once again we look
